

## Vision Partner Roles & Responsibilities

Marriage Oneness | Pastor Danny & Dr. Amelia Cole

---

### Overview

A Vision Partner is a covenant builder—spiritually and financially invested in the mission of Marriage Oneness. Partners play a crucial role in helping couples go from roommates to soulmates through biblical truth, emotional healing, and purpose-driven connection. This is not a staff position, but a Kingdom collaboration to advance the message of *Pursuit of Passion: Unlocking the Secrets to Deep Intimacy & Lasting Fulfillment* and *The Passion Framework*.
